MIRACLE FOR JEN

THE UNBELIEVABLE TRUE STORY
OF JENNIFER BARRICK

On a crisp November evening in 2006, in the blink of an eye, everything changed for Jen and her family. Barreling toward them at 80 mph, a drunk driver slammed head-on into their minivan. Jen suffered life-threatening injuries and was feared not to live through the night.

Jen remained in a coma for 5 weeks, yet in the coma she experienced something incredible. Even though she couldn't remember that $2+2=4$, and her speech had been severely damaged, Jen could remember every Bible verse she had ever memorized and the words of every worship song she had ever sung. Jen would talk to God out loud in a perfect voice, and praise Him continually as if she could see Him standing right beside her in the hospital room. Even the doctors knew that God was at work. Coming out of the coma, Jen remembers vividly Jesus holding her as she went through this horrific event.

Today Jen still faces daily struggles, but although legally blind with slurred speech and suffering from chronic pain and fatigue, through her ministry, Hope Outloud, Jen is now bringing hope to millions of wounded and hurting people.
